PLANNING FOR 2022

This will be the last NU3A Connected for 2021, with the Summer Newsletter due in 3 weeks – the last week of Term for this year!

The Program Coordination team members are well under way with our Program for Terms 1 and 2 of 2022, with the hope that most classes will return to face to face, potentially still with some space/distancing restrictions – but hopefully without having to wear masks, and with everybody fully vaccinated.

REMINDER: The **last week of Term** for this year is Monday 29th November – Friday 3rd December... then only 3 weeks until Christmas!
